Competition and Handicap Secretary`s Report MT, assts.DK ,ABN and NJ

Slow Play is creeping into our competitions as well as receiving attention nationally from England Golf. Will all members be aware of this disease, nationally it is putting too many people off playing and has now got the attention of the governing authorities, so we must have culprits ourselves. Age and ailment must be considered but we ask all members to step on the gas where you can and always let smaller groups through if you are holding them up, irrespective of whether you are keeping up with the group in front of you. If it is safe to do so, play out of turn if the backmarker is slowing your group down, make the call to him and keep the group moving.

Captains shot of the day or equivalent challenge will carry a £50 value prize from the Club.

Presidents Putter and Captains Prize type competitions, if tied, will be decided by considering the 11th game played of each involved. If these are tied then the 12th game and so on are compared until we have a winner, however, if someone runs out of games played before a winner can be declared then they lose by default.
